Dear colleagues,

I am very pleased to introduce our training course on Blepharoplasty and Facial Rejuvenation which will take place at Mansoura University from 8-9 December 2010

The course will go on as follows:

In the morning some operations will be carried out by famous surgeons from Italy and Egypt who will talk about the up-to-date techniques of Blepharoplasty and Facial Rejuvenation.

In the afternoon, no less stimulating, theory will have priority over practice, all participants largely debating various issues by lectures and panels' discussions. The course will take place at the Burn and Plastic Surgery Center - Mansoura University

I am looking forward to meet many of you in Mansoura

Best Regards,
Prof. Mohamed El Hadidy
Course Director
